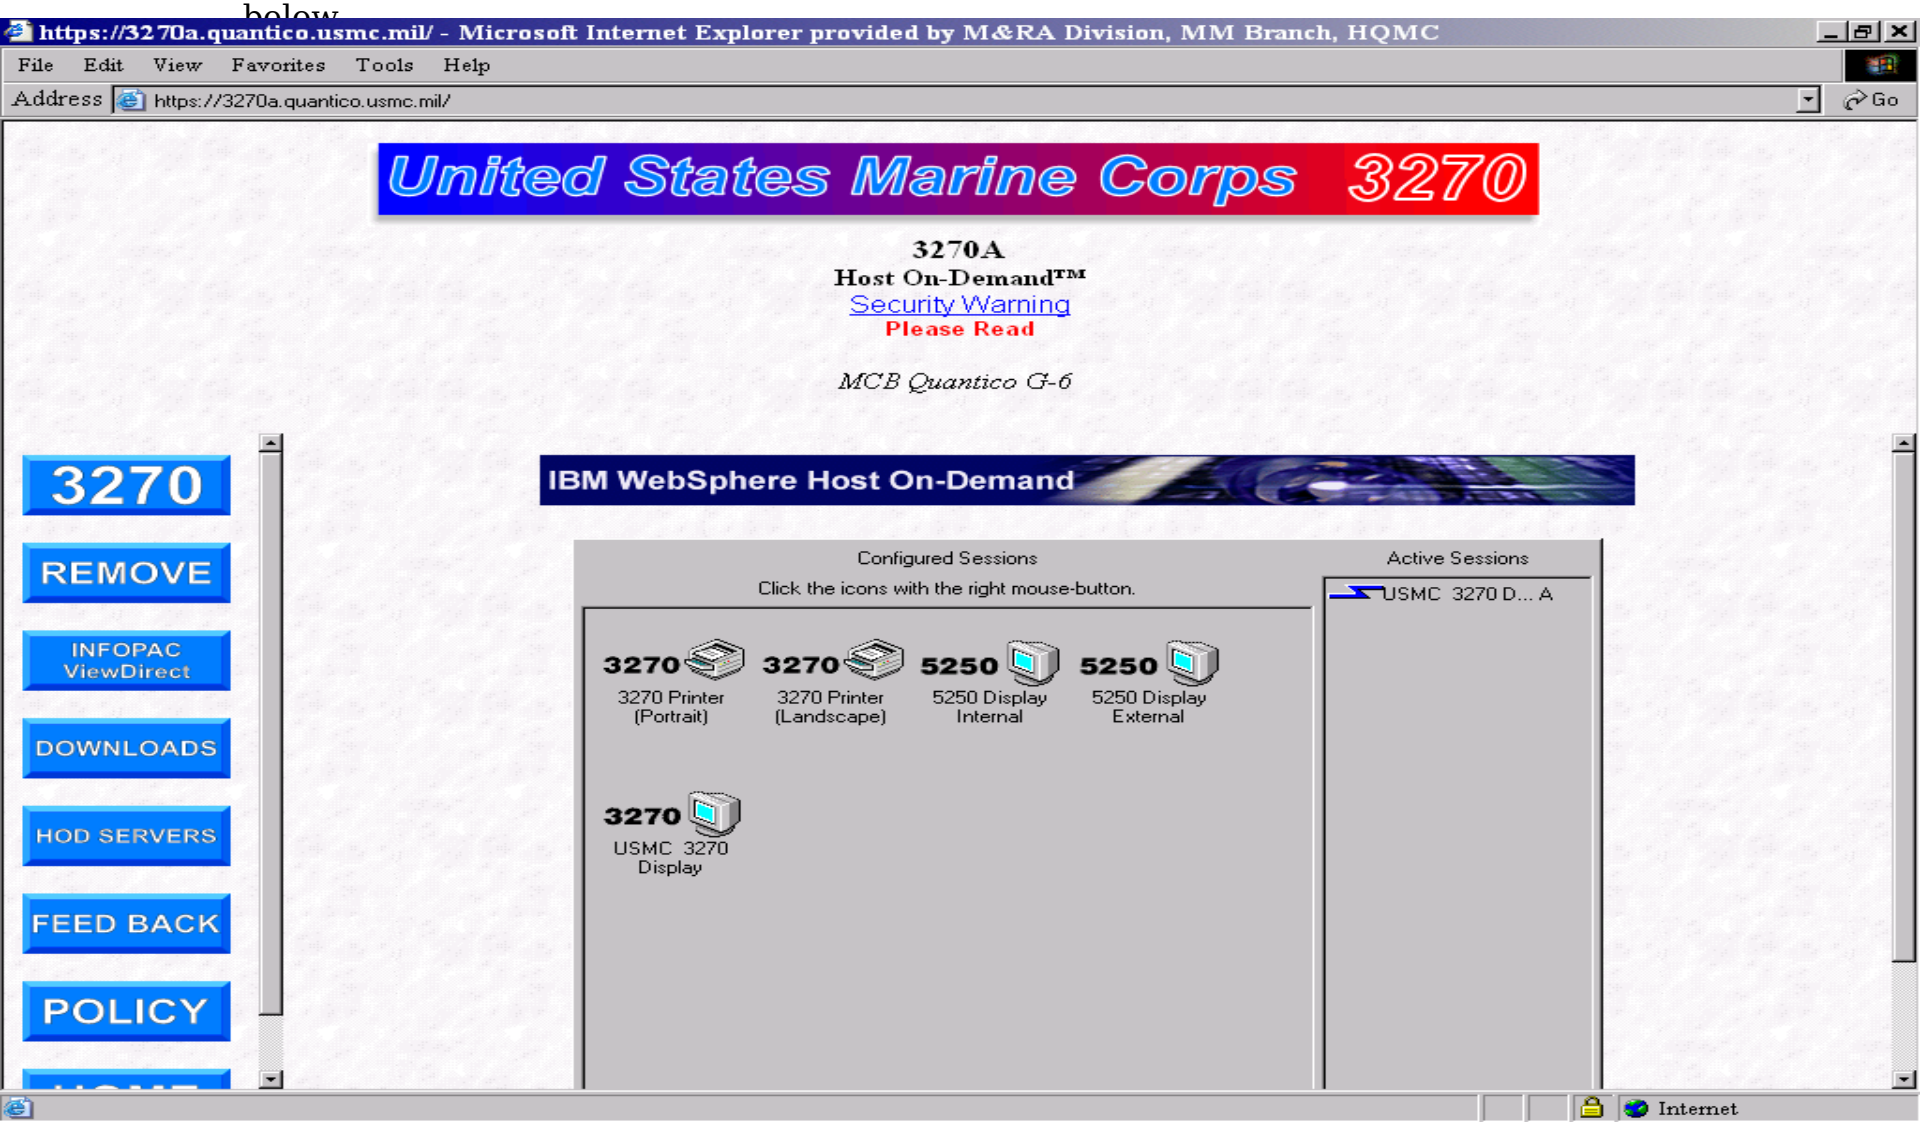
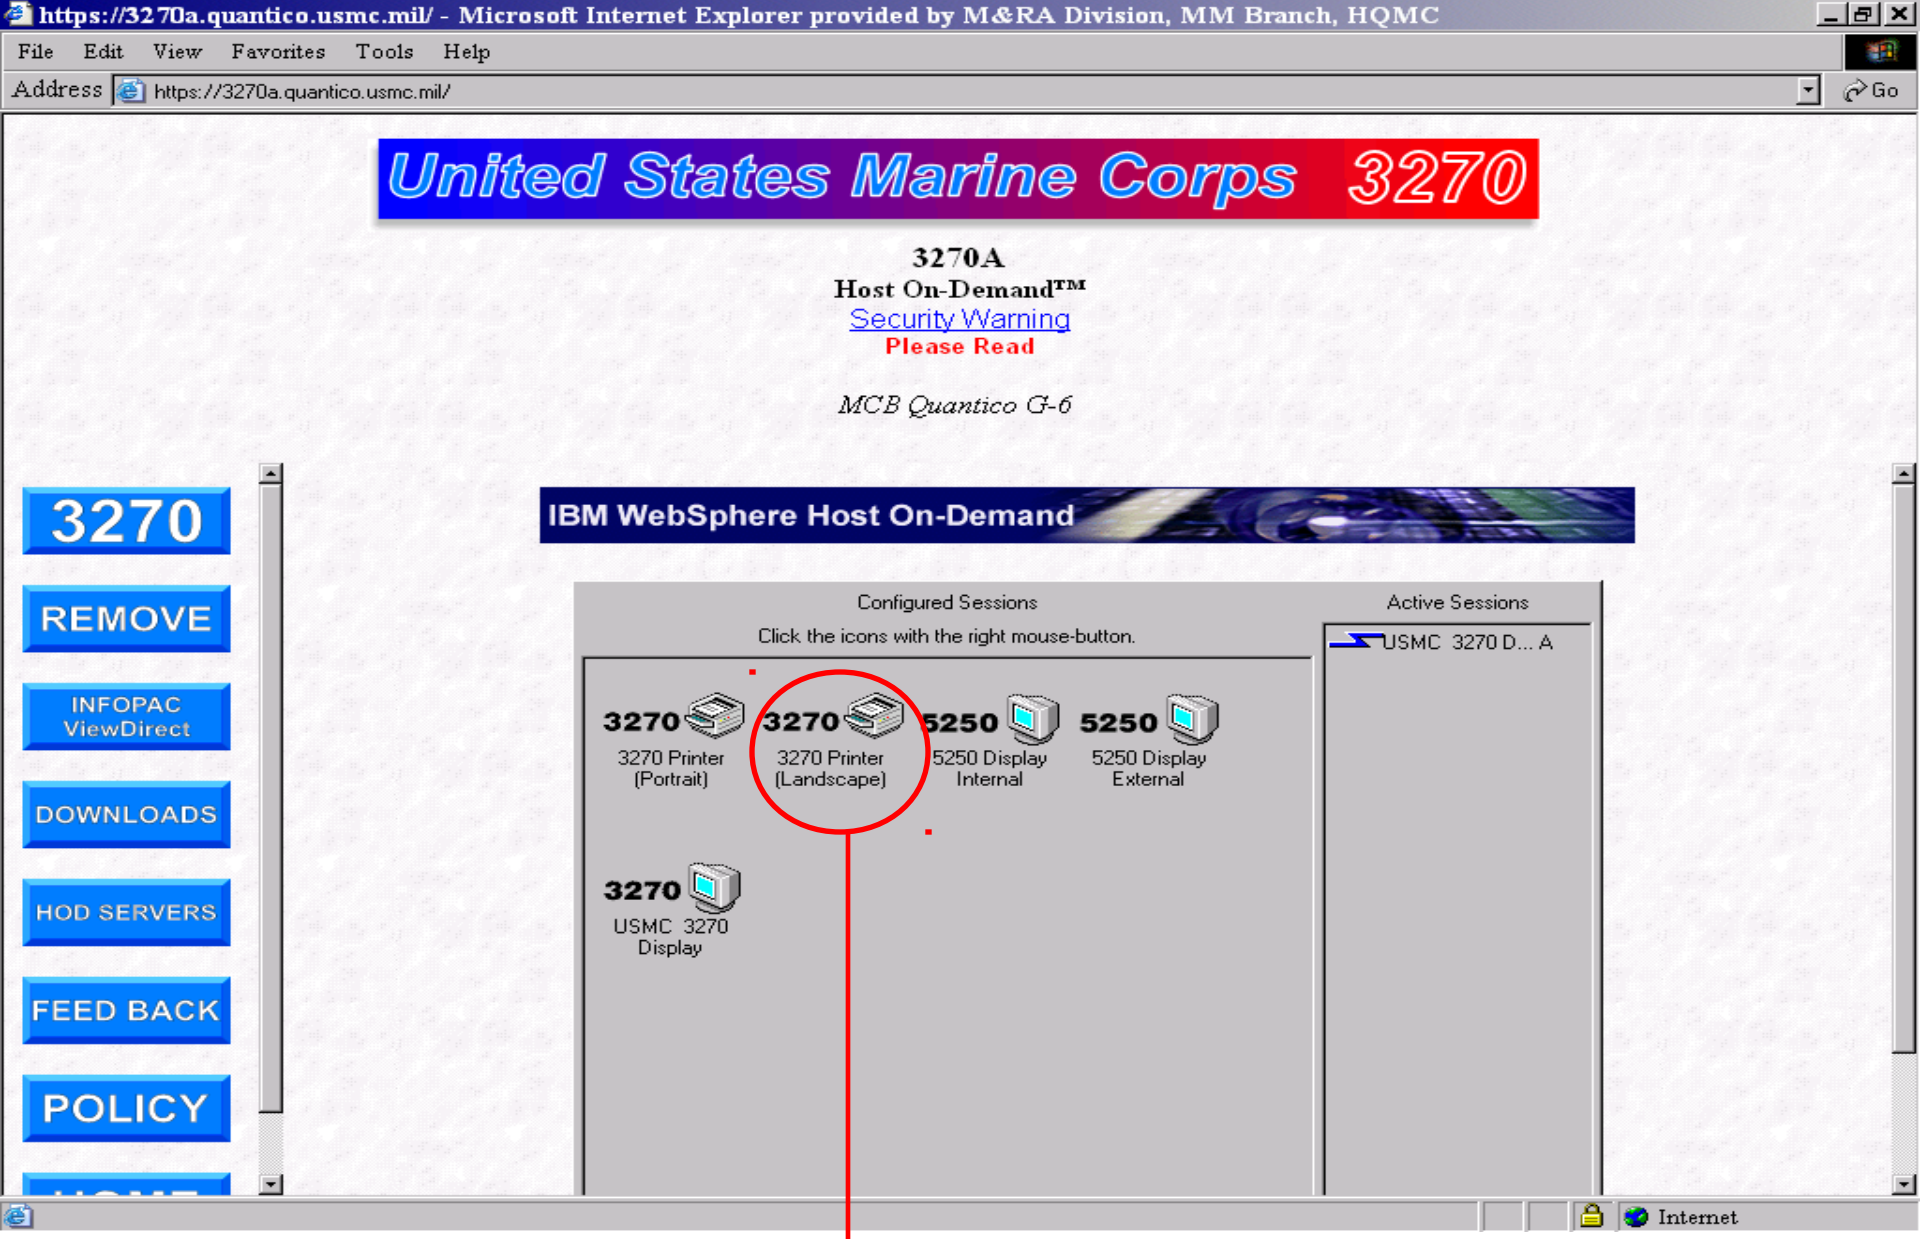
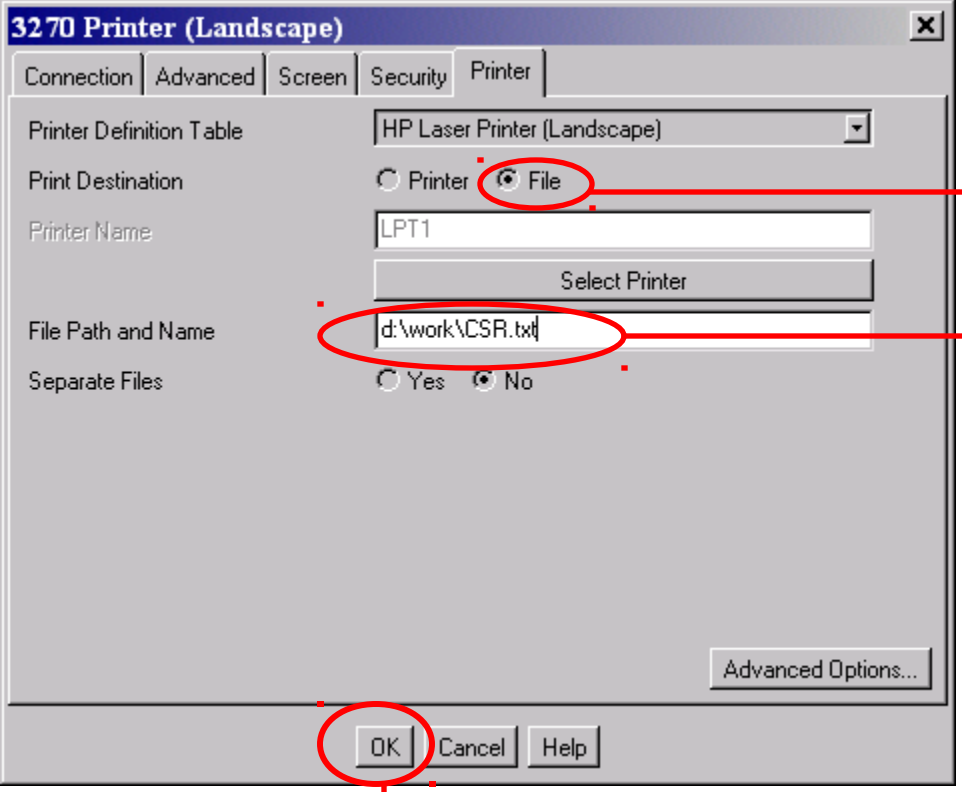
This presentation will show you how to download your Command Staffing Report (CSR).

1. Start from your internet explorer page with the 3270 applications on them. As shown below





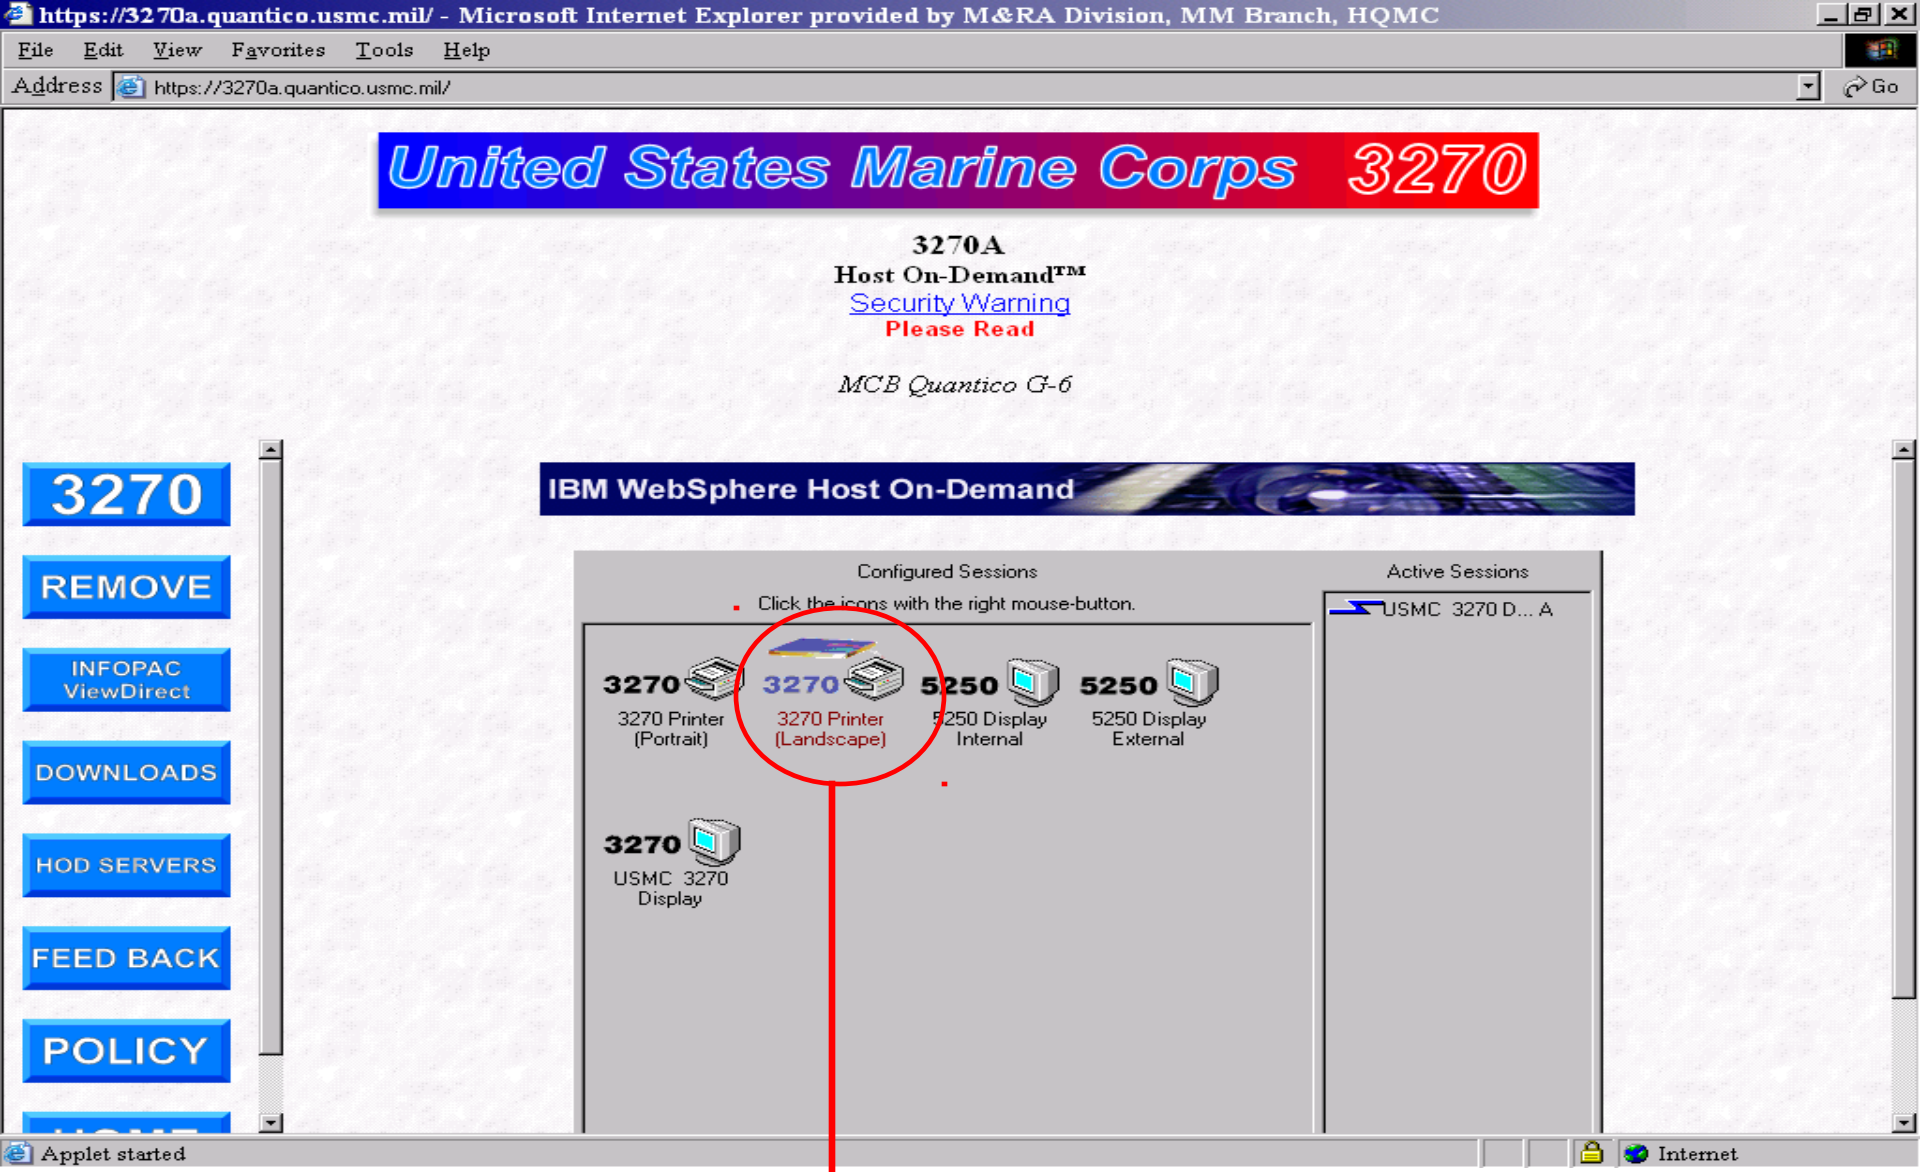
Right Click on printer circled … properties …



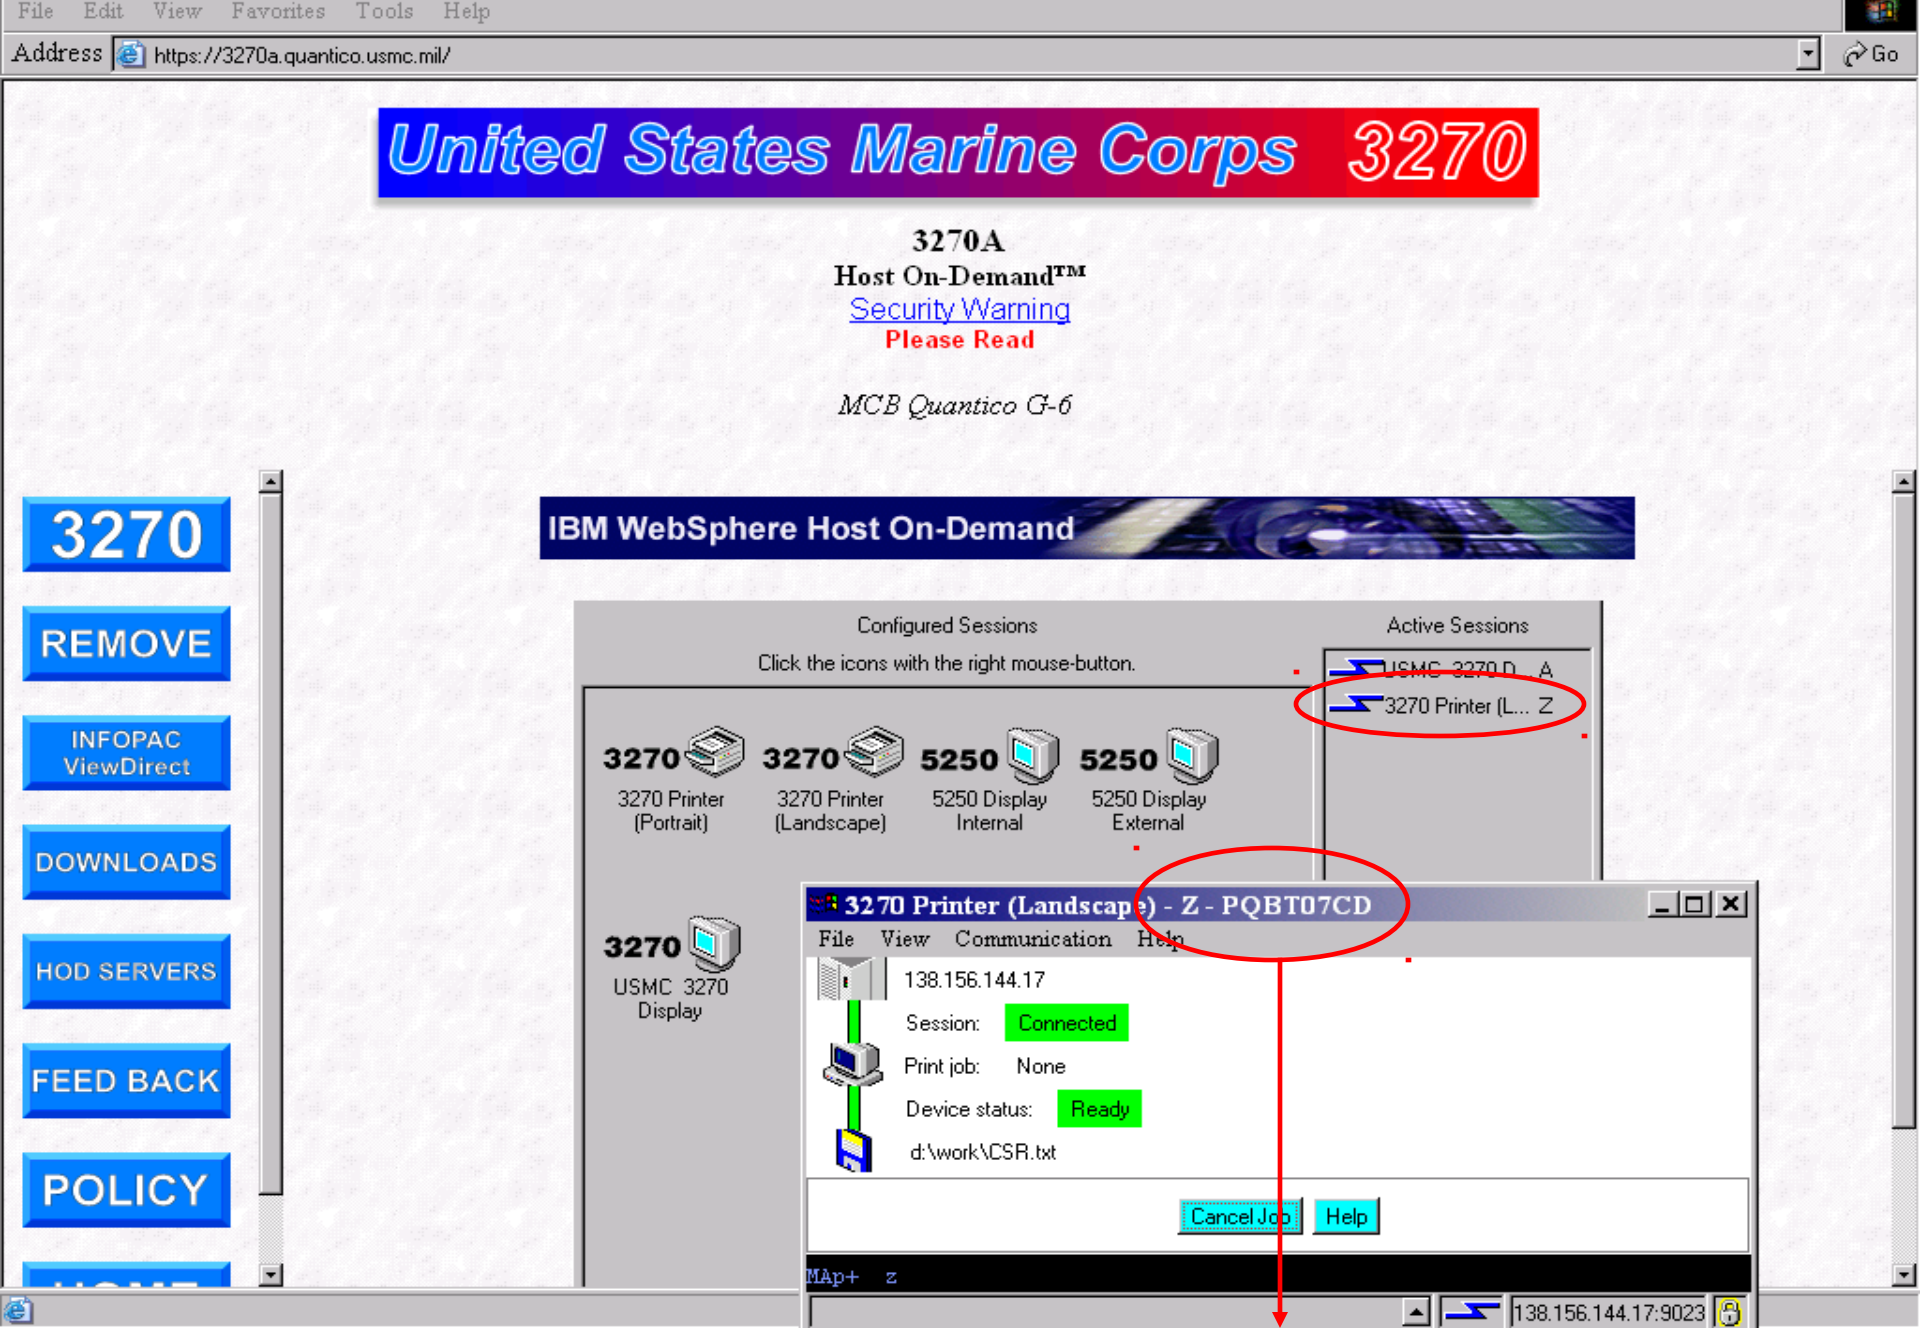
1. Select File (Print Destination)

2. Enter File Path and Name

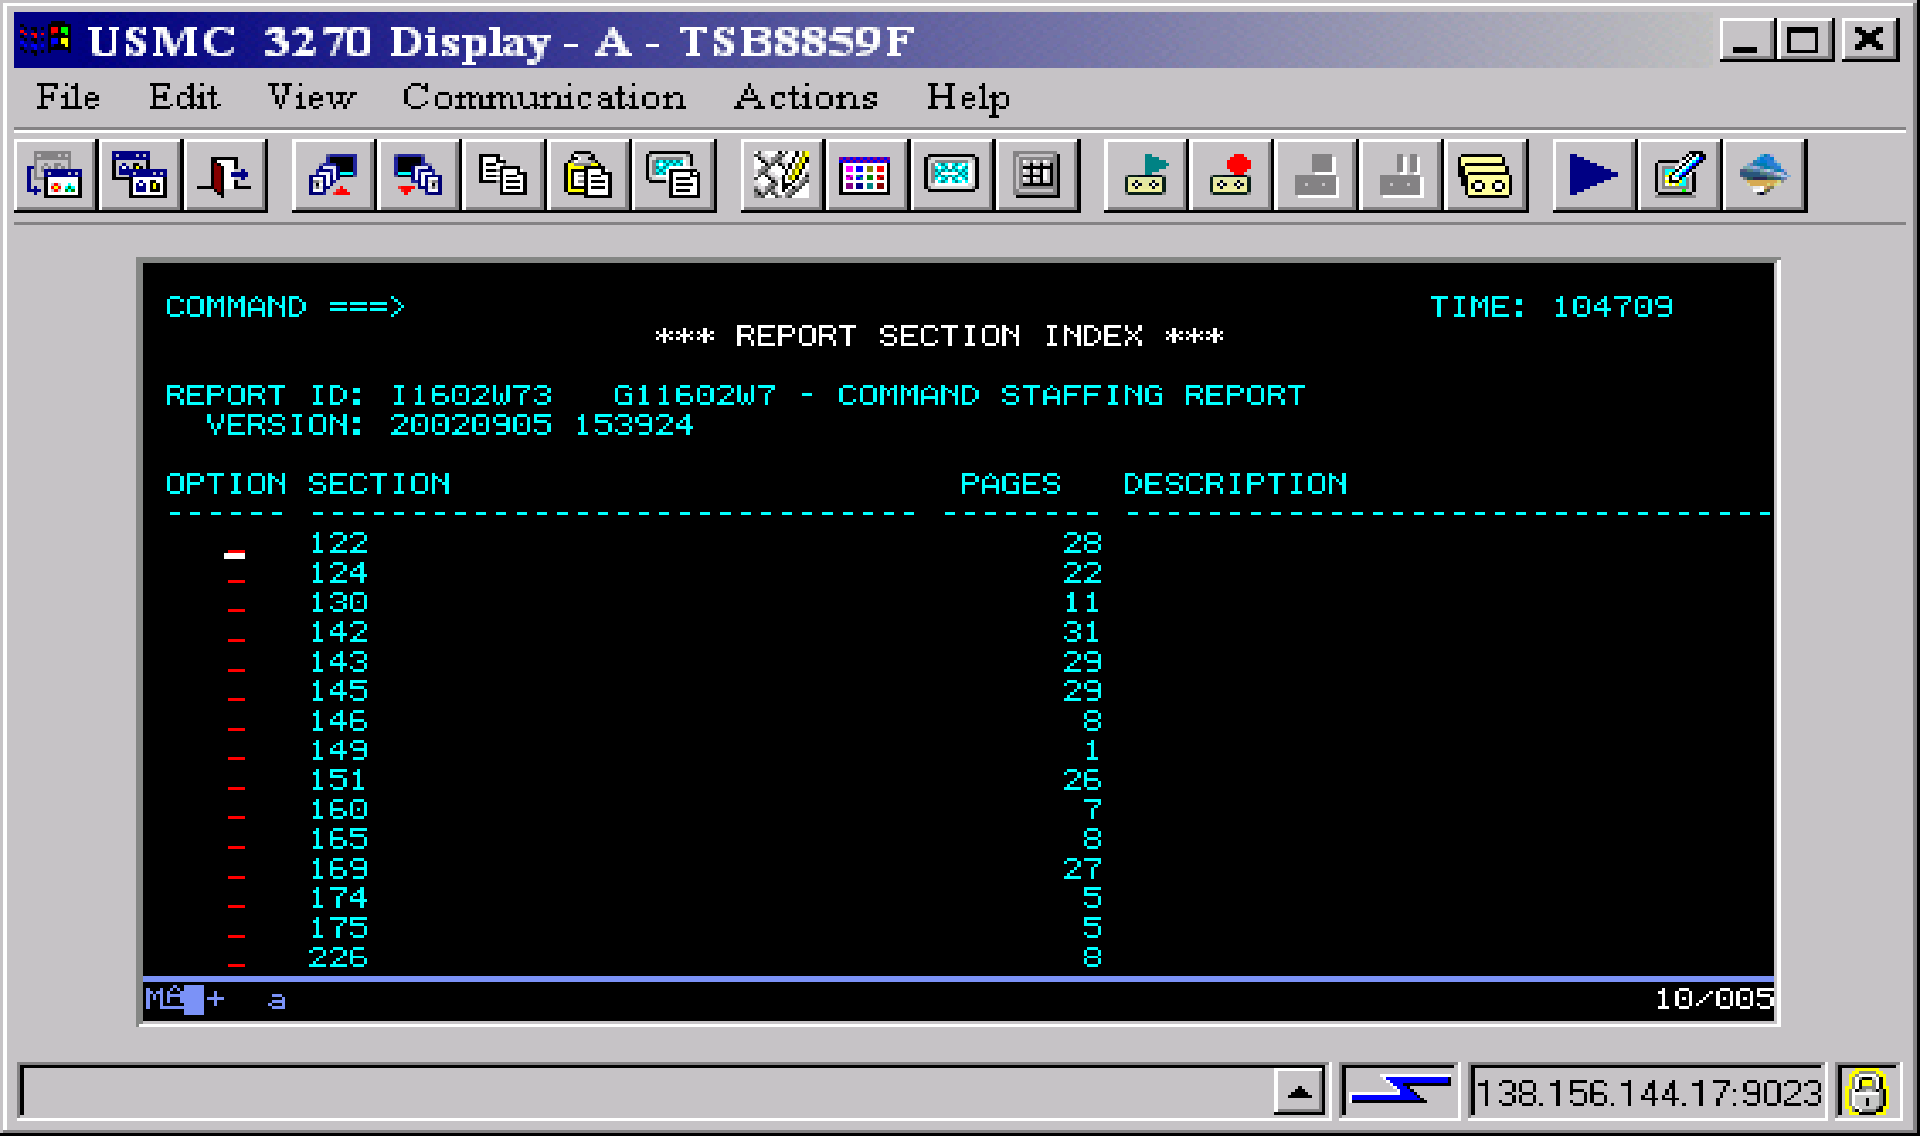
3. Press OK



Double-click the printer icon you just changed….you will see the active session appear on the right side of the screen, as well as the printer session window As shown on the next screen



Write down or remember this printer id….you will use it



Locate the section (MCC) you wish to download. Press the F2 key on your computer, you will be shown the next screen...

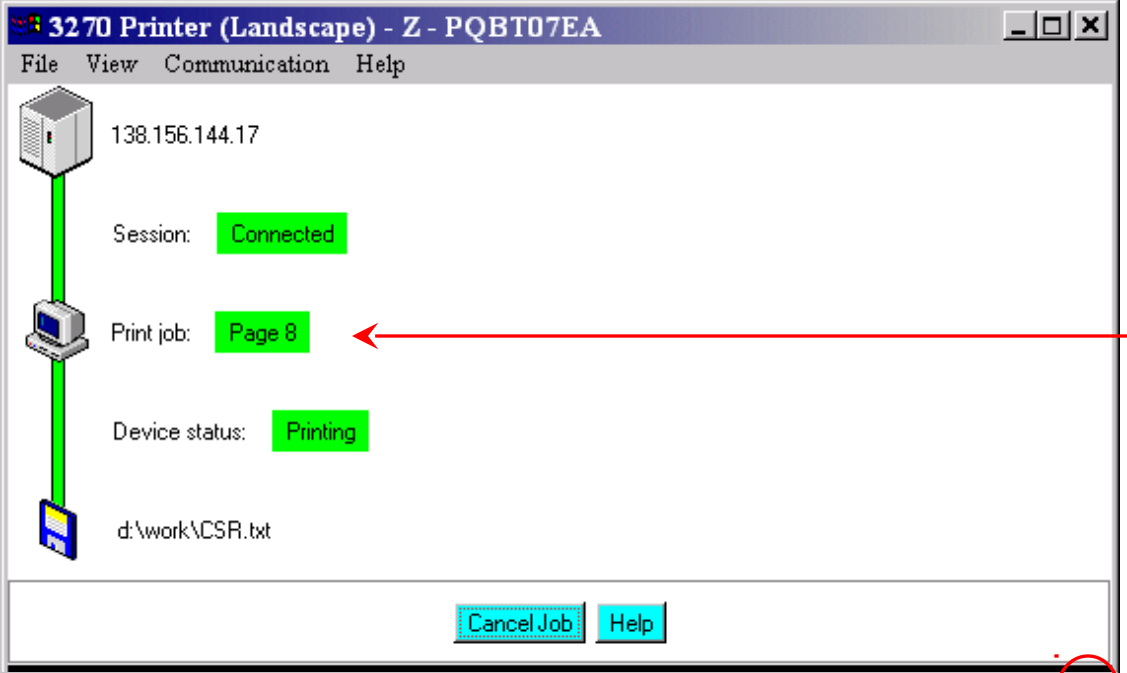
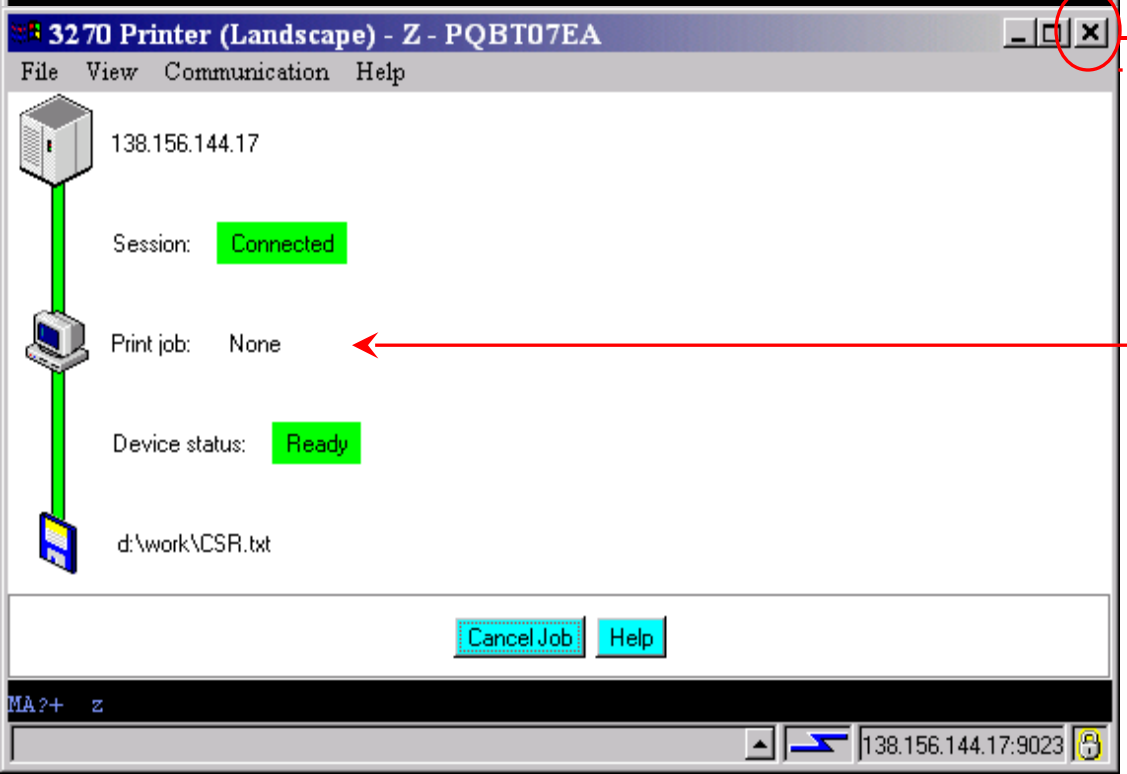
Press the Enter key twice





1. After a few seconds you will see the pages scrolling through the report…

3. Close the printer session by pressing the X

2. When completed the field will show None…

Continue this process for each MCC. Once completed, you can open the file(s) in Notepad.
